

PLANT QUIZZES BY PLANTMASTER

The ultimate study tool for Plant ID!

In this class, we've partnered with PlantMaster to offer quizzing tools that make learning plant names easier!

Why use PlantMaster?

Instant Access to Your Course Plants

Your instructor has already added all the plants for your class—just create an account, import the lists, and start quizzing right away!

Three Engaging Quiz Options

Choose the Plant Image - view the botanical name of each plant, then select the correct image to match.

Choose the Plant Name - Identify the plant by selecting the correct name based on the image shown.

Spell the Plant Name - Master tricky Latin names by viewing an image, then practice the spelling of each plant.
